WHAT A LOAD OF RUBBISH !

The litter in Bar Hill is slowly taking over the village. The litter population must be greater than the human population. Even if every villager collected one piece of litter, I am sure there would be a considerable amount left. The main problem appears to be around the mini roundabout at the top of Tesco's entrance and behind the new Securicor depot. Through this magazine I would like to appeal to all residents and especially all industrial unit and shop owners to make sure that they are not contributing to what surely must be one of the most unsightly entrances to any village in Cambridgeshire.

SHOPPING TROLLEYS

Once again there seem to be more Tesco trolleys around the village than there are at Tesco's. Not only are they very unsightly but also dangerous, especially when they are used as carts by children on the perimeter road or left on the village paths for residents to fall over in the dark.

PLEASE if you take a trolley home from Tesco, take it back !!!

TWINNING

Many people are under the impression that Bar Hill has already twinned with Emmertsgrund in W. Germany. This is not the case. Emmertsgrund was one possible contact which had been made. With the assistance of the Joint Twinning Committee (a national organisation) we have made contact with two small towns, also in W. Germany, and we are especially interested in Sonsbeck (near Wesel and Dusseldorf). We shall keep you informed of any progress.

PARISH COUNCIL NOTES

The monthly meeting of Bar Hill Parish Council was held on Tuesday 16th February in the Committee Room in the Village Hall.

Swavesey Village College

The Council was pleased to welcome Mr. Rodney Dale, Chairman of the Board of Governors of Swavesey Village College, and to hear his report on the activities there during the past year. Mr. Dale told the Council that children from Bar Hill account for 25% of the total number of 630 pupils at Swavesey. Numbers are increasing and the roll is expected to be over 740 in three years' time. A new building was opened last September and provided several new facilities for staff and pupils. Mr. Dale wished to thank the people of Bar Hill for their generous support for fund raising events, notably the recent sponsored walk which raised over £3,000. The next project to be undertaken will be the covering of the existing swimming pool and any assistance, financial or otherwise, would be most welcome. Mr. Dale will be present at the Annual Parish Meeting (see later in this report for further details) to give a full report to residents and answer any questions; but in the meantime anyone needing assistance or information on any matters relating to the College is welcome to contact any of the three members of the Board of Governors resident in Bar Hill:

Rodney Dale, 16 Almond Grove, tel. 80542

Chris Lakin, 22 Almond Grove, tel. 80222

Derek Couzin-Wood, 21 Hollytrees, tel. 31129.

Garage courts

Derek Ford raised the matter of children playing in garage courts and pointed out that these are private areas and should not be used for this purpose. It is also very dangerous for children to play in them as drivers will not be expecting to encounter children and may collide with them. The Council agreed with these points and would ask all parents to warn their children of the dangers of playing in garage courts. There are plenty of open play areas in Bar Hill - please encourage your children to use them rather than areas intended for motorists.

Trolleys

The Council were sorry to note a considerable increase in the number of abandoned Tesco trolleys around the village. The Clerk will be writing to Tesco about this but we would endorse the comments of the Residents Association in this month's Bar Hill News editorial regarding trolleys. Please, if you take a trolley away from the store, return it promptly. Not only can failure to do so be construed as theft, but abandoned trolleys are dangerous and unsightly.

Walls

The Building Inspector has now carried out a thorough survey of the perimeter wall in Acorn Avenue/Foxhollow/Hollytrees, and on his recommendation the Parish Council have agreed to rebuild the wall which blew down some weeks ago. The work will be started as soon as possible.

Annual Parish Meeting.

The Annual Parish Meeting will be held in the Village Hall on Wednesday 28th April, starting at 7.30 p.m. It is hoped to invite guest speakers to address the meeting, and members of village organisations will as usual be asked to give a report on their activities. Everyone in the village is most welcome to come. More details will be given in next month's News.

The next meeting of the Parish Council will be held on Tuesday 16th March at 7.30 p.m. in the Committee Room, Bar Hill Village Hall.

LETTER TO THE EDITOR

80 Years Young

May I have the pleasure of thanking all those of Bar Hill who helped to make my 80th birthday not only a happy one but a joy to remember.

The festoon of birthday cards, the flowers and gifts were overwhelming from so many which included Orchids and the Christmas Roses which will last a very long time.

My thanks to Tesco's, who so readily Help the Aged, for the Hot Cross Buns which were the highlight of the party I held for my Senior Citizen's Club. The joy of my neighbours who helped to make the actual date, February 6th, so happy.

I wish we all could have a birthday every week. Yes my 80th birthday was a happy one and I send my good wishes to my age group for 1982 in Bar Hill.

Mrs. Harold Price

Sunday School (Junior Church)

Thanks to all mums, friends, etc., who responded to our Sunny Smiles Appeal in aid of the National Childrens Home. We were able to present £17.50 to the Home at the Festival of Queens held recently at The Wesley Methodist Church in Cambridge. Donations are still coming in, so if yours is late don't worry, it will still get sent in. Our Sunday School continues to grow, but there is still room for every child that wants to come. We have the following classes.

Beginners (under five) Mrs. Janet Kempson & Mrs. Linda Howard.
1st Infant (five years) Mrs. Hinchliffe and Mrs. Sandham.
2nd Infant (six years) Mrs. Julia Hart and Mrs. Farr.
1st Junior (seven years) Mr. Brian Howard.
2nd Junior (8 and over) Mrs. Pat Staden.

Sunday School is at 9.45 am - don't panic if you are a few minutes late, just come into the meetings room (the one used for toddler group). Parents are welcome to stay with their children, or are equally welcome into the service.

Later in the year, we are planning a coach trip to the sea. As coaches are in the region of £100 we need to raise some towards the cost, so that ticket prices will be reasonable. Our cake stall on 24th February will have been held when this goes to print, so many thanks to all the contributors, helpers and purchaser. Our future cake stalls will be on the last Thursday of each month at the church centre from 1.30 p.m.

All enquiries to Mrs. Julia Hart or Mrs. Pat Staden, or approach any of the Sunday School team.

LETTER FROM THE EDITOR

Dear Readers and Contributors,

This month's News is the largest that I have known. This has caused delays in printing and will mean that you will receive this issue in two parts - we cannot collate and staple 16 sheets in one go. I feel I should thank all contributors (about 25 different groups) for making such interesting reading; however, without wishing to discourage you, I regret that I may have to edit some articles in future. Similarly, we will not be able to accept new advertisements until present contracts expire, or are cancelled.

You may not be aware that our duplicating facilities are available to Village Clubs and Societies for a small fee (to cover the cost of materials used). You need only to provide a Typist and, if possible, somebody who can use the duplicator. Could I encourage you to use this facility for letters to your members, leaflets, sponsored whatever forms etc. Contact me for details.

BAR HILL SCHOOL PARENT-TEACHER ASSOCIATION NEWS

The activities of the P.T.A., as well as adding to the life of the school and the village as a whole, are essentially intended to raise funds for the school. In times when the financial support from Government comes under ever-increasing pressure we are able to help to bridge the gap between having an "average" school and having the exceptional school of which we are all proud.

Our efforts at the moment are particularly influenced by the school extension which is just starting to be built. In time for the opening during Autumn term we will be able to provide equipment which official funds could not provide. As the school grows and the education finance cuts continue the need for support from the whole village is growing too.

So we are pleased to continue to provide entertainment for a variety of tastes in our forthcoming events. At the same time we must not lose sight of our intentions and so will continue to charge realistic prices in order to generate funds for the school. We rely on your support in our activities and hope to give you pleasure and value for money in supporting your village school.

Folk Concert Friday 12th March 8.00pm - 11.00pm £2.00

As a new venture for the school and the village the P.T.A. is presenting two groups, each well known in their own sphere of activity. This is no introverted hairy hippy event, but good all-round entertainment. Both groups have years of experience behind them and are able to cover a wide range of material with their own particular styles.

The Cambridge Crofters are the most well known of local groups, playing a variety of instruments and singing too. They have a couple of excellent records to their name. They spend a good deal of their time playing for dances, so we can expect a selection of swinging instrumental numbers in their performance.

Sons of Ale sing unaccompanied harmonies and come from Bedford. Their style is perhaps best described as a mixture of the Kings Singers and Barbershop, but it is very distinctly their own. Their material is both traditional and contemporary extending to J.R.R. Tolkein and Flanders and Swan.

Both groups are renowned for their lively and entertaining presentation. If that isn't enough then there will be a bar to help the atmosphere along. The show will be cabaret style, so no formal rows of seats - you can have a table to lean on!

Tickets, limited to 150, are available for £2.00 from the school and from University Keyboards in the Mall.

Punch and Judy, plus Balloon Modelling - Saturday 27th March, 11.00am - 50p.

BAR HILL N.H.R.

It was lovely to see so many new faces at our 'Mini Debate on Health' in January. We had a very stimulating discussion on abortion, organ transplants and compulsory sterilisation. It certainly put us in the right mood for our following meeting which was a talk on Genetic Engineering. Quite a baffling subject but very interesting.

We have two meetings planned for March. The first is a discussion led by Chris Avery : 'Did Emily Pankhurst waste her time?' This will be at 8.00pm on Thursday 11th March at 39 Acorn Avenue.

Our second meeting will take the form of a visit to Parkside Police Station on Tuesday March 23rd. As this visit is likely to last two hours we must be ready to leave the Mall promptly at 7.10pm. Please let me know by Friday 19th March if you will be joining us on this visit and also if you have a car or will need a lift.

Our new summer programme starts in April and copies will be available from me, Lesley Turney (CH 80739).

BOOK GROUP

"The French Lieutenants Woman" (J. Fowles) and "The Virgin and The Gypsy" (D.H. Lawrence) are still being read and we will hopefully discuss both books at our next meeting on Wednesday March 24th at Joy Bright's, 1 Otlands Avenue.

We have several copies of the next book to be read:- "Brave New World" by Aldous Huxley so by 24th March we should be ready to discuss this book as well.

As the group is growing we need several copies of each book if we are all to be able to read it within a month so elsewhere in this edition we are requesting help in loaning books to the group. We have made a list of books we would like to read and discuss and we would be most grateful for any help given.

BRITISH RED CROSS SOCIETY

Is there anyone on the village who likes children enough to give up one hour a week during term time to run a junior group? No experience is necessary, no nursing or first aid is needed, just an ability to get on with a very keen and lovely set of youngsters. Unfortunately I shall probably be moving so I need someone very soon or the group will cease to be. Mrs. Robinson-Judd runs the Youth group and will be pleased to see children over the age of ten any Tuesday evening at 7.00pm at Bar Hill School. I shall not be accepting any more Juniors (under tens) until the future of the group is certain.

The Youth and Juniors are planning a coach outing to London later in the year to visit the Science Museum and other places of interest. We are having a Jumble Sale/Cake Stall/Nearly New etc. on Saturday 6th March at the Church Centre. Please bring goods to the centre on the day of the sale, to me or to any red cross member.

It has been in existence for 5 years and is run on a very casual basis, members play when they can and pay when they attend. Most of us try to play every week but we welcome those who can only come occasionally. However, the very nature of this casual approach means that we do need a reasonable number of members to make it work and at the moment we could do with half-a-dozen new members. So if you feel you would like to enjoy a game of table tennis in a relaxed atmosphere do come along or contact Peter Thorne, Crafts Hill 80856 or Anne Pitman, Crafts Hill 80216

BOILER SERVICING UNDERTAKEN

A diary of events in the village is now being compiled. The purpose of the Diary is to ensure that events have adequate advertising and also to help avoid any clash of dates for similar activities. It is intended to produce a bi-monthly list of forth-coming events which will be displayed in both the notice boards outside the school and in the Mall.

I am in the process of contacting all organisations and groups in the village, both large and small, to obtain the relevant information for the Diary. If by some oversight I do not contact your group during the next couple of weeks please contact me at the school so that I might remedy my omission.

The Diary will be maintained at the school where information can easily be obtained by calling in or phoning.

BAR HILL MARATHON RUNNER

Have you noticed a tall, bearded man running around the perimeter road during the early evening? He spends many of his leisure hours going round in circles and seems to run regardless of the weather. Well, it appears that he is really training for the London Marathon which is to be run on the 9th May. It will be the first time he has run a marathon and will be the climax of many months hard training.

The school are looking for sponsors for this runner so that funds can be raised to purchase a computer which will benefit the children of the village. The school children will be looking for sponsors soon, so please help with this worthwhile cause.

Don't forget to wave the next time you see him, it makes a pleasant change to see a smiling face instead of counting kerb-stones.

THE SUNSHINE PLAYGROUP

In 1968 the Bar Hill Playgroup opened with 15-20 children. Since then, it has grown considerably and it now has approximately 70 children on its books.

Therefore it became apparent that there was a growing demand for another playgroup to be opened in the village. After close consultation with the Day-Care Advisor for the Under 5's it has been agreed to form another group, namely The Sunshine Playgroup.

We intend to be a much smaller "Family-type" unit, with Dianne Gunton and Shelley Cakebread as the joint supervisors. The Playgroup will be held in the Church Centre, 3 mornings each week.

If you are interested to learn more about it, PLEASE come to an OPEN MEETING and give us your opinions and support. The meeting will be:-

ON: MONDAY 22 MARCH
AT: 8.00pm
IN: THE HEALTH CENTRE

We will need to elect a small committee to help to get it off the ground. Once the playgroup has opened, this committee will be involved in the day-to-day running of the group.

Meanwhile to start the ball rolling, we shall be holding a GRAND JUMBLE SALE

ON: SATURDAY 24th APRIL
TIME: 2.30 to 4.30 pm
IN: THE CHURCH CENTRE

We hope to collect door-to-door, but please telephone us if you have anything large to be collected. Alternatively, items can be brought to the Church Centre on the day.

LOOK OUT FOR MORE NEWS NEXT MONTH!

WE HOPE TO SEE YOU AT THE OPEN MEETING.

PLAYGROUP NEWS

As our Playgroup Committee year comes to an end, we would remind you that our A.G.M. is on Thursday 18th March at 8.00pm. If any mum (or dad!) wishes to stand for Committee next year, would she please let Jane or one of our Supervisors know.

I would like to take this opportunity to thank this year's Committee members for all their hard work and enthusiasm. We have had a very successful, albeit hectic year and the total amount of money raised from our various events is £600. I'm sure many of you enjoyed our fashion shows, kindly staged by Jon Marc of The Mall, and it goes without saying that all the children had great fun at our Sports Day and Royal Wedding Party, both of which were purely for the fun of it, and not fund-raising events.

During half term and with their final burst of energy, Playgroup Committee decorated the Playgroup room, ably assisted by the Supervisors!

Could I remind you we are always desperate for mother-helpers. If you could help, even fortnightly, Jane would be pleased to hear from you.

Finally, if there is any family with a child under 3 who would like to be registered with our Playgroup could you please call in and see one of our Supervisors or contact Jane Gedny (81171)

BAR HILL TOY LIBRARY

The Toy Library will be open on the following dates this month:-

Friday 5th March

Friday 19th March

from 2.15pm until 4.00pm in the Farm House.

Thank you to all those who supported our Coffee Morning on Thursday 25th February. We will let you know how much money was raised and which toys we shall be buying at a later date.

The Toy Library Committee is hoping to start a jigsaw puzzle exchange scheme shortly. This would be open to anyone, not only children and not only Toy Library members. We hope that elderly and housebound people may be particularly interested. We do not envisage making any charge for this facility. More information will be given next month but in the meantime, we would be glad to hear from anyone who has any jigsaw puzzles of whatever standard, that they would like to get rid of! JON MARC HAIR DESIGN AND NINA'S BOUTIQUE

We are pleased to announce that most of our refurbishing has been completed and we now have our Hairdressing Salon upstairs, and a small Salon downstairs for those who prefer not to climb the stairs. We have a new member of staff, Marion, who has come to us very well recommended and is now the senior stylist. Linda has now qualified and is taking on a lot of new and old clients and is proving to be a very popular stylist. We do hope you will come in and see us. If you look at the price list on the previous page you will see we are very competitive.

On Thursdays we have our training where the Juniors, April and Geraldine, under supervision, do perms for $\frac{1}{2}$ price, blow dries for 75p and shampoo and sets for 50p. The seniors will always cut the hair if needed for the normal price.

The Boutique is much larger and capable of carrying a more varied stock, for all ages. We stock sizes 8 - 18 and we have new stock coming in all the time. Our selection covers the very casual right through to the more dressy evening wear. We have tried to cater for every occasion at prices right for your pocket and believe that we compare very favourably with most of the larger shops. A good example is our range of Shepherd sweaters, which for only £14.75, a long sleeved v-neck style in pure wool, fully machine washable, is a very good buy. For our younger customers we have the very latest styles in casual and evening wear from size 8 upwards. (Dresses from £8.75 and the popular lurex scarves for only £2.50 each.) Indian cotton blouses start at £5.00 for plain and very pretty embroidered styles which co-ordinate beautifully with the range of spring and summer skirts just starting to arrive at prices from £7.95. We have a full range of dresses starting from £10.85 and suits from £11.50 for our more mature customers.

We also offer a free alteration service for people, like myself, who are not a standard size. If you have any queries or problems, please do not hesitate to ask any of our staff for their help.

We still have our sun bed which is situated downstairs and the courses start at £1.50 for $\frac{1}{2}$ hour to £10.00 for eight $\frac{1}{2}$ hour sessions. It really is a boon to start your tan before your holiday, especially for those who are travelling to the warmer climates. If you have any queries on this subject, Angela will be pleased to help and advise you.
